Some of our recent design work...

Last year we also had some good successes outside of our design solutions...

- * We were commended for our packaging design for Rossmore Icecream at the 2009 IDI Awards;
- * Our Portlaoise design was published in 'Logo Lounge', a book recognising the best of International Logo design;
- * We also took second place in the 'wellbeing in the workplace' category at the Laois Business Awards;
- * We also won tenders to design for the following organisations: An Bord Bia; NCCA; and National Park and Wildlife Services. We are delighted to add these to our client list.
